Dear Mr Mowery - the original email was blocked somehow; in going back through, it is now showing up. Apologies for that. Responses to 3, 4 and 8:

3. This is addressed on a case by case basis

4. We have tried several times to get a landscape committee together and cannot get enough participants so it is not being considered further at this time.

8. See response to 4.

This should answer your questions. We consider these matters now closed. Thank you.
